Subject: Home Town Telephone Appeal Response From USAC

The Universal Service Administrative Company (USAC) has completed its evaluation of the appeal you submitted on behalf of Home Town Telephone, LLC. (Filer ID 823502), dated September 28, 2017, attached. In the appeal, you state that a revenue reporting error was made on your May 2017 FCC Form 499-A which resulted in much larger than expected invoices for July, August, and September. Based on your appeal and the facts related to this matter, we consider your request to be a request that USAC accept the revised May 2017 FCC Form 499-Q. Because your appeal seeks a waiver of the FCC-mandated 45 day deadline for revisions to the FCC Form 499-Q, pursuant to FCC rules, Home Town Telephone LLC must seek relief directly from the FCC, not USAC. Therefore, USAC dismisses your appeal.

USAC will consider this matter closed unless you notify us within 30 days from the date of this email and provide a detailed explanation of any issues you believe remain outstanding. If you wish to appeal this decision to the FCC, you may file an appeal pursuant to the requirements of 47 C.F.R. Part 54, Subpart I. Detailed instructions for filing appeals are available at:

<http://www.usac.org/cont/payers/billing-disputes/appeals.aspx>

Please let us know should you have any additional questions and/or concerns.

Please be sure to follow the instructions in my previous email to file your appeal with the FCC.

Regards,

USAC
